Rewards - Systems and Procedures

Rewarding positive behaviour and/or work is effective in promoting students to have an outstanding attitude to learning, resulting in good progress. Positive Behaviour Management often prevents the need for sanctioning. Rewarding students can be completed in a variety of forms.

Classroom Rewards

Non verbal

Non-verbal rewards can be a powerful tool to ensure a student feels recognised for their efforts (a confirming smile, a nod, a thumbs up etc.).

Verbal

Verbal responses can ensure students receive the simple or detailed positive feedback they deserve. It is also an opportunity to build 1:1 positive relationships and can inform/enable students to understand how to make further progress.

Modelling

Using a student's work, attitude or behaviour as a 'model' to their peers ensures students receive the recognition they deserve but also reinforces expectations to others.

(Note: some students find modelling embarrassing as they do not like to be singled out so please use this strategy with care).

Subject/Teacher Specific Rewards

Staff can utilise their own individual reward systems within their classroom to promote a positive learning environment. (Stickers, star charts, student of the lesson/week etc. These can be linked with the SWR Core Values)

House Points

The **formal SWR rewards system** to record students' achievements should be completed via the House Point System on SIMS. House Points can be awarded for the following:

- Contributing to the school
- Excellent effort
- Outstanding work (this includes homework)
- Contributing to the house (HOH Competition)
- 100% Attendance in a week

Students can 'spend' their House Points in the 'House Point Shop'. Please see the following page for details.

Parental Contact

To ensure students can share/celebrate their achievements at home, it is good practice to contact parents to inform them of their son/daughters efforts. This can be completed via phone, email or letter.

Tutor Rewards

Tutors can utilise many of the strategies outlined in the 'Classroom Rewards' section but in addition they should implement the following:

Random Raffle

Students can earn raffle tickets each week during tutor time for complying with school expectations (Correct School Uniform, Equipment, Punctuality etc.). Tutors should issue tickets each week. The raffle is then completed by the Head of Year at the end of each term during assembly.

Parental contact from the tutor is also essential in building good relations to support individuals. It is good practice to contact parents to celebrate student success when they demonstrate the SWR Core Values and improve or maintain excellent attendance (above 98%).

Outside of Classroom Rewards

Staff can utilise many of the strategies outlined in the 'Classroom Rewards' section to recognise students achievements in extracurricular activities as well as rewarding students for their conduct around the school and within the local community. Parental contact is also advised to ensure students receive appropriate praise. In addition, the following Rewards are implemented.

Awards Assemblies

Students Attitude to Learning, Homework, House Points, Progress and Attendance is celebrated at the end of each term. Certificates are awarded to individual students. Parents are invited to attend the Annual End of Year Assembly.

Attendance Rewards

Students are rewarded for good attendance via the following strategies:

- 100% Individual Attendance in a week = 1 House Point
 - 100% Tutor Group Attendance in a week = 'Sweet Treats'
 - Top Tutor Group Attendance per term = Non Uniform Day
 - 100% Individual Attendance per term = Certificate/Recognition in awards assembly
 - 100% Individual Attendance per old term (3x a year) = Certificate, chocolates/sweets and a chance to win £50 Amazon Voucher.
 - 98% Individual Attendance per old term (3x a year) = Invitation to attend the Attendance Reward Trip (Air Hop, Thorpe Park, South Cerney, Movie Events etc.)

Strategies to Promote Positive Behaviour

Low level disruption in classrooms is best avoided/minimised by high quality teaching that meets individual needs.

Pre-sanction interventions

Where staff intervention for behaviour is required, this is best done by **avoiding immediate use of the Classroom Sanctions.**

The Classroom Sanctions can quickly escalate the problem; if the teacher rapidly 'raises the stakes', many students will respond in a similar way.

It is far better to employ a range of verbal and non-verbal cues to begin with, such as:

- Non-verbal signals (e.g. 'the look')
 - Tactical ignorance
 - Move closer
 - Say name
 - Use humour
 - Remind them of their successes from previous lessons.
 - Tell them what you want them to do (Clear, simple statements. Non-confrontational)
 - Give students TIME and SPACE to get back on track.
 - Catch student behaving appropriately and praise
 - Praise appropriate behaviour of nearby student
 - Distract onto task/away from inappropriate behaviour
 - Re-explain and organise task for them
 - Ask them to undertake a specific task for you
 - Remind about relevant B4L skill
 - Restate relevant skills
 - Modify or change activity
 - Informally/formally move or change group setting

Relocations

- Relocate the student to the Leader of Learning (with work)
- Issue a 30 minute lunchtime detention
- Issue a Penalty Point
- Contact parents/carers

Failure to be relocated:

Homework (KS3)

The majority of students complete homework on time and to the best of their ability. Staff should reward students for homework by issuing House Points.

- **3** House Points for **Outstanding** Homework that is completed on or prior to the deadline.
- **2** House Points for **Very Good** Homework that is completed on or prior to the deadline.
- **1** House Point for **Good** Homework that is completed on or prior to the deadline.

However, if students fail to complete their homework on time and/or to an acceptable standard, staff should utilise the following system.

Procedure:

- Inform the student they have 48 hours to complete the homework
- Contact parents/carers

Failure to complete the homework despite a 48 hour extension:

- Issue a 1 hour after school detention
- Issue a Penalty Point on SIMS

Learning Managers will place students on a stage 1 report if there are concerns about a student across a range of subjects.

Procedure:

- Check and sign the report daily
- If a tutee has failed to meet three targets in one day (3 crosses) they should be issued a five minute detention for each failed target. (Example – 3 crosses = 15 minutes, 4 crosses = 20 minutes, 5 crosses = 25 minutes. 1/2 crosses would result in a discussion about how to avoid this in future.)

Failure to attend Stage 1 Report Detention

SWR Behaviour Management System

Focus Room

A student can only be placed in the Focus Room by a member of SLT or a Head of Year. The Focus Room is SWR's internal exclusion facility and will only be used in the event of serious incidents.

Focus Room Rules

- I will hand my phone to the teacher
- I will place my bag in the allocated area
- I will work in silence
- I will complete all work to the best of my ability
- I will respect the equipment and environment
- I will not leave the room without permission

Focus Room Rules – Staff details

Staff will explain the Focus Room rules to the student. Students will sign the Focus Room behaviour contract.

I will hand my phone to the teacher

The staff member responsible for placing the student in the Focus Room will ensure the phone is handed into the main office. Students can collect their phone at the end of the day. Students who are in the Focus Room for break and/or lunch only will hand their phone to the teacher, the phone will be left on the teacher's table. Students can collect their phone at the end of the session.

I will place my bag in the allocated area

The staff member responsible for placing the student in the focus room will ensure the student places their bag in the allocated area. Students do not need anything from their bag as equipment and work is provided. Students are allowed to take a drink of water to their work station.

I will work in silence

Students should work independently. Students will not engage in conversations with staff. Students will not discuss their sanction with staff. If a student is unable to complete a piece of work, staff can give support to ensure students can complete the work.

I will complete all work to the best of my ability

Students will be provided with work from their class teacher. Staff should place student's work in the blue tray. Once completed, it should be placed in the yellow tray ready for collection from the teacher. If work has not been set by a teacher, students should complete the generic work set by LOL's.

I will respect the equipment and environment

Students must ensure that all equipment is placed back in the pencil case at the end of their session. Staff should check the equipment and the work station to ensure students have not disrespected their area in any way.

I will not leave the room without permission

Students wanting to visit the toilet/water fountain must be escorted. It is preferable that this does not occur during normal break and lunchtime when they can encounter other students. Students will have their break/lunch during the normal time slots. During this time, students will remain in silence and at their work station. Students will not leave the Focus Room for break/lunch. Students can have access

to the following tasks during their Break/lunchtime – reading books, puzzles, colouring, word searches, crosswords, Sudoku or playing cards (individual games only).

Extended Behaviour Management

Behaviour Support Plan (BSP)

Students who have failed Stage 2 report, and are in danger of failing Stage 3 report may be placed on a BSP, or at the discretion of the Head of Year. This will be decided by Head of Year and/or SLT.

Parents will be involved in the BSP process (8 weeks) and clear targets for improvement will be set. Support will be provided for students to make changes to their behaviour. If a BSP fails, then a student will be put onto a PSP.

Pastoral Support Plan (PSP)

Where a student is at risk of permanent exclusion then a PSP will be put in place. This is a 16 week intervention, designed to avoid exclusion and support the student to enable them to remain in school.

Parents are an important part of this process and will be expected to support their child in meeting the agreed targets. A member of SLT will lead the PSP meetings and reviews. If a PSP fails, a student may be put on a Managed Move.

Internal Exclusion (Archway/KLB)

Students who have exhausted the internal school sanctions or have behaved in an unacceptable manner will be internally excluded. The student will be sent to a neighbouring school to complete their internal exclusion.

Parents are responsible for arranging transport to and from the neighbouring school.

Students and Parents will attend a re-admission meeting with the Head of Year.

Exclusions and Alternative Provision

SWR may place students with an alternative educational provider on a short term or long term basis, such as Stroud and Cotswolds Alternative Provision (SCAPS) or South Gloucestershire and Stroud College (SGS).

Exclusions can only be authorised by the Headteacher.

Managed Move

In an attempt to avoid a permanent exclusion, SWR works closely with neighbouring schools and may choose to implement a Managed Move. A Managed Move is a 16-week process, led by the LEA where a student is offered a supported, fresh start in a new school. This may not be an appropriate solution for some students.
