

HEALTH AND SAFETY POLICY STATEMENT

Last Review: November 2015
Committee: Resources
Date Ratified: 10 December 2015
Next Review: October 2017

PART ONE

STATEMENT OF INTENT

1. **The school's Governing Body and Senior Leadership Team recognise and accept** their responsibilities under law as responsible employers and/or persons in control of premises, the requirement to provide a safe and healthy working environment for all employees and others affected by its activities is acknowledged.
2. The school is committed to ensuring that risk assessments are undertaken, control measures implemented and systems are continuously monitored and reviewed.
3. **In compliance with the Health and Safety at Work etc. Act 1974, this school's Governing Body will** ensure so far as is reasonably practicable that:
 - 3.1 the premises are maintained in a safe condition.
 - 3.2 safe access to and egress from the premises is maintained.
 - 3.3 all plant and equipment is safe to use.
 - 3.4 appropriate safe systems of work exist and are maintained including offsite visits.
 - 3.5 sufficient information, instruction, training and supervision is available and provided.
 - 3.6 arrangements exist for the safe use, handling and storage of articles and substances at work.
 - 3.7 a healthy working environment is maintained including adequate welfare facilities.
4. In addition to the above commitment, the Governing Body also recognises its obligations to non-employees. Where it is reasonably foreseeable that trainees, members of the public (this includes students), contractors, etc., are or may be affected by the school activities, the Governing Body will make the necessary information, instruction, training and supervision available to ensure the safety of those affected. As an education provider which must set standards by example for its students, this commitment is seen as especially important.
5. The Governing Body will endeavour within its allocated resources to set aside adequate finance for the policy statement to be properly implemented.
6. The Governing Body is committed to this policy and all staff are required to comply as a **condition of employment. They are encouraged to support the Governing Body's** commitment to continuous improvement in our health and safety performance. For the policy to be effectively implemented the school must have the full co-operation of employees and others who use the premises. Employees are reminded of their own duties:
 - 6.1 to take care of their own safety and that of others and;
 - 6.2 to co-operate with the Governing Body and Senior Management Team so that they may carry out their own responsibilities successfully.
7. All relevant Regulations, Codes of Practice will be complied with as necessary.
8. Consultation with employee representatives will be held as and when appropriate on all matters affecting the health and/or safety of employees concerned.
9. A copy of this statement has been provided to every member of staff. A copy is available in the policies section on the school website and in the separate policies drive available to staff.

Copies are also posted on staff notice-boards. This policy statement and the accompanying organisation and arrangements will be reviewed annually and revised as and when necessary.

10. This policy statement, together with the organisational structure and the following **arrangements and procedures, has been approved by the school's Governing Body.**

PART TWO

ORGANISATION

INTRODUCTION

In order to achieve compliance with the Governing Body's Statement of Intent the school's normal management structure will have additional responsibilities assigned to them as detailed in this part of the Policy

- 1.3.1 this policy;
 - 1.3.2 all other relevant health and safety matters;
 - 1.3.3 the instruction and training that will be given to all employees so that they may carry out their duties in a safe manner without placing themselves or others at risk.

2.0 The Duties of the Headteacher

- 2.1 As well as the general duties of all members of staff, the Headteacher has responsibility for the day-to-day maintenance and development of safe working practices and conditions for

teaching staff, non-teaching staff, students, visitors and any other person using the premises or engaged in activities sponsored by the school and will take all reasonably practicable steps to achieve this end through the heads of departments, senior members of staff, teachers and others as appropriate.

2.2 The Headteacher is required to provide budget and resources for the Premises Manager to take all necessary and appropriate action to ensure that proper health and safety standards are maintained at all times.

2.3 In particular, the Premises Manager will, on a day-to-day basis, be responsible for:

- 2.3.1 ensuring safe working conditions of the school premises and facilities;
- 2.3.2 ensuring, at all times, the health, safety and welfare of staff, students and others using the school premises or facilities or services or attending or taking part in school-sponsored activities
- 2.3.3 ensure safe working practices and procedures throughout the school so that all risks are controlled;
- 2.3.4 arrange systems of risk assessment to allow the prompt identification of potential hazards, and where appropriate ensure that the Governing Body and the LEA are made aware of the findings;
- 2.3.5 identify the training needs of staff and students and ensure, that all members of staff and students who have identified training needs receive adequate and appropriate training and instruction in health and safety matters;
- 2.3.6 ensure that any defects in the premises, its plant, equipment or facilities which relate to or may affect the health and safety of staff, students and others are made safe in a timescale commensurate with the risk;
- 2.3.7 collate accident and incident information and, when necessary, carry out accident, incident and near misses investigations and implement any remedial action to prevent reoccurrence;
- 2.3.8 monitor the standards of health and safety throughout the school, including all school-based activities;
- 2.3.9 monitor the management structure, in consultation with the governors; consult with members of staff, including Safety Representatives, on health and safety issues; and
- 2.3.10 encourage staff and others to promote health and safety.

3.0 **The Duties of Supervisory Staff (*This includes Assistant Headteachers, Learning Managers, Heads of Departments, Site Managers, Clerical Managers/Supervisors*)**

3.1 In addition to the general duties which all members of staff have, supervisory staff will be directly responsible to the Headteacher or the member of staff nominated by the Headteacher, to have overall day-to-day responsibility for the implementation and operation of the **school's health and safety policy within their relevant departments and areas of responsibility.**

3.2 As part of their day-to-day responsibilities they will ensure that:

- 3.2.1 safe methods of working exist and are implemented throughout their area of responsibility;
- 3.2.2 health and safety regulations, rules, procedures and codes of practice are being applied effectively;
- 3.2.3 staff, students and others under their jurisdiction are instructed in safe working practices;
- 3.2.4 new employees working within there are given instructions in safe working practices; risk assessments are conducted in their area of responsibility as required by the Headteacher or as necessary;
- 3.2.5 regular safety inspections are made of their area of responsibility as required by the Headteacher or as necessary;
- 3.2.6 positive, corrective action is taken where necessary to ensure the health and safety of all staff, students and others;
- 3.2.7 all plant, machinery and equipment in the department in which they work is adequately guarded, in safe working order and restricted to authorised persons only;
- 3.2.8 appropriate protective clothing and equipment, first aid and fire appliances are provided and readily available in the department in which they work;
- 3.2.9 hazardous and highly flammable substances in the department in which they work are correctly stored and labelled, and exposure is minimised;
- 3.2.10 they monitor the standard of health and safety throughout the department in which they work and encourage staff, students and others to achieve the highest practicable standards of health and safety;
- 3.2.11 all health and safety information is communicated to the relevant persons and
- 3.2.12 they report any health and safety concerns to the Headteacher.

4.0 **Duties Of Class Teachers**

4.1 Class teachers are expected to:

- 4.1.1 exercise effective supervision of their students and to know the procedures in respect of fire, first aid and other emergencies, and to carry them out.
- 4.1.2 follow the particular health and safety measures to be adopted in their own teaching areas as laid down in the relevant Codes of Practice e.g. CLEAPSS, if issued, and to ensure that they are applied.
- 4.1.3 give clear oral and written instructions and warnings to students where necessary.
- 4.1.4 follow safe working procedures personally.
- 4.1.5 require the use of protective clothing and guards where necessary.
- 4.1.6 make recommendations to their Headteacher or Head of Department on health and safety equipment and on additions or necessary improvements to plant, tools, equipment or machinery.
- 4.1.7 integrate all relevant aspects of safety into the teaching process and, where necessary, give special lessons on health and safety in line with National Curriculum requirements for safety education
- 4.1.8 avoid introducing personal items of equipment (electrical or mechanical) into the school without prior authorisation; and
- 4.1.9 report all accidents, defects and dangerous occurrences to the Premises Manager

5.0 Duties of All Employees [including temporary and volunteers]

- 5.1 Apart from any specific responsibilities which may have been delegated to them, all employees must:
 - 5.1.1 act in the course of their employment with due care for the health, safety and welfare of themselves, other employees and other persons.
 - 5.1.2 observe all instructions on health and safety issued by the LEA, School or any other person delegated to be responsible for a relevant aspect of health and safety.
 - 5.1.3 act in accordance with any specific H&S training received.
 - 5.1.4 report all accidents in accordance with current procedure.
 - 5.1.5 co-operate with other persons to enable them to carry out their health and safety responsibilities.
 - 5.1.6 inform their Line Manager of all potential hazards to health and safety, in particular those which are of a serious or imminent danger.
 - 5.1.7 **inform their Line Manager of any shortcomings they consider being in the School's health and safety arrangements.**
 - 5.1.8 exercise good standards of housekeeping and cleanliness.
 - 5.1.9 know and apply the procedures in respect of fire, first aid and other emergencies.
 - 5.1.10 co-operate with the appointed Trade Union Health and Safety Representative and the Enforcement Officers of the Health and Safety Executive.
- 5.2 all employees who authorise work to be undertaken or authorise the purchase of equipment will ensure that the health and safety implications of such work or purchase are considered; and
- 5.3 employees delegated responsibilities for specific aspects of health, safety and welfare must satisfy themselves that those responsibilities as appropriate are re-assigned in their absence. **The employee's immediate line manager must approve such re-assignments.**

School Health And Safety Co-Ordinator

- 6.1 The School Health and Safety Co-ordinator (Premises Manager) has the following responsibilities:
 - 6.1.1 to co-ordinate and manage the annual risk assessment process for the school.
 - 6.1.2 to co-ordinate the annual general workplace monitoring inspections and performance monitoring process.
 - 6.1.3 to make provision for the inspection and maintenance of work equipment throughout the school.
 - 6.1.4 to manage the keeping of records of all health and safety activities.
 - 6.1.5 to advise the Headteacher of situations or activities which are potentially hazardous to the health and safety of staff, students and visitors.
 - 6.1.6 to ensure that staff are adequately instructed in safety and welfare matters in connection with their specific work place and the school generally.
 - 6.1.7 to call and chair the Health and Safety Committee which will meet annually or as is necessary.
 - 6.1.8 carrying out any other functions devolved by the Headteacher or Governing Body.

7.0 Health and Safety Committee and School Health And Safety Representatives

7.1 Health & Safety Committee

The Health and Safety Co-ordinator will chair the committee and all appointed health and safety representatives will be members. The committee will meet annually or as is necessary. The committee will report to the SLT and the Resources Committee.

7.2 The Governing Body and Headteacher recognise the role of Health and Safety Representatives. The Representatives will comprise of a union member, the Premises Manager, a teacher, a member of the support staff and a governor. Health and Safety Representatives will be allowed to investigate accidents and potential hazards, pursue employee complaints and carry out school inspections within directed time but, wherever practicable, outside teaching time.

8.0 Students

8.1 Students, in accordance with their age and aptitude, are expected to:

8.1.1 exercise personal responsibility for the health and safety of themselves and others.

8.1.2 observe standards of dress consistent with safety and/or hygiene.

8.1.3 observe all the health and safety rules of the school and in particular the instructions of staff given in an emergency; and

8.1.4 use and not wilfully misuse, neglect or interfere with facilities or equipment provided for their health and safety.

9.0 Visitors, Members of the Public and Volunteers

9.1 Visitors and members of the public are requested to co-operate with the health and safety arrangements put in place by the school to protect them when using the school premises or land.

9.2 Where volunteers are employed to undertake work on behalf of the School they will for all intents and purposes be regarded as employees (see 5 above). Line managers will therefore have responsibilities for undertaking, in particular, thorough risk assessment and implementation of control measures, together with ensuring that volunteers have received adequate information, instruction, training and supervision for the tasks they will be undertaking.

10.0 Supervision Of Pupils Before and After School

10.1 The Governing Body, through the Headteacher, is responsible for ensuring adequate supervision of pupils on the school site before and after school. Parents need to be aware that supervision will be provided between the hours of 08.50 and 15:20. Parents will be reminded of the hours of supervision prior to the commencement of each academic year.

10.2 It is the responsibility of parents to ensure the safety of pupils arriving or leaving the site outside of those hours. Pupils are expected to leave the school site promptly after the end of the school day. The school grounds are not gated and parents needs to be aware of this fact. Pupils attending the school outside of the supervised hours, but who are involved in authorized school activities, will be supervised for the period of the activity.

10.3 Where a parent is unable to collect a pupil due to an emergency or unforeseen circumstances, the school should be contacted on 01666 502378 giving sufficient notice to allow for supervision arrangements to be made.

PART THREE

GENERAL ARRANGEMENTS

Health, Safety and Welfare

The following procedures and arrangements have been established within our school to minimise health and safety risks to an acceptable level

1.0 Accident Reporting, Recording and Investigation

1.1 the school will report and investigate of accidents, incidents and near misses seriously and the school will adhere to the GCC She Procedure she/pro/4 accident reporting and investigation

1.2 in line with the SHE procedure, all staff will be encouraged to report accidents, incidents and near misses and line managers will investigate such incidents and identify and implement means to prevent a recurrence.

2.0 Asbestos

2.1 **to minimize risk from asbestos containing materials on the school's premises, the school will maintain a safe and healthy environment by:**

2.1.1 complying with all regulations and county policy concerning the control of asbestos

2.1.2 removing asbestos containing materials where the risk to building users is unacceptable

- 2.1.3 to have a named officer (the asbestos manager) who will have responsibility for the implementing the Asbestos Management Plan in compliance with The Management of Asbestos in County Council Occupied Premises guidance. The asbestos manager is the Premises Manager.

3.0 Contractors

- 3.1 The school follows the guidance issued by GCC Asset Management and Property Services for the appointment and monitoring anyone undertaking works. These include:
 - 3.1.1 checking the competence of contractors
 - 3.1.2 examining risk assessments as appropriate to check that contractors and others have correctly interpreted any site specific conditions, etc
 - 3.1.3 having clearly identified personnel who are points of contact for contractors and visiting workers
 - 3.1.4 having all significant and unusual hazards and risks on site clearly identified.
 - 3.1.5 exchanging information on hazards and risks
- 3.2 Arrangements for monitoring and controlling works in progress. Key areas to focus attention are:
 - 3.2.1 segregation of traffic and pedestrians
 - 3.2.2 segregation of contractors and occupants of the school (where possible)
 - 3.2.3 safe systems of work to ensure that works undertaken within occupied areas of the premises are adequately controlled
 - 3.2.4 implications on fire precautions due to possible increased risk and interference with fire alarm
 - 3.2.5 system and routes of evacuation
- 3.3 Communication. The school recognizes that it is crucial that issues relating to premises works are communicated effectively. This includes:
 - 3.3.1 providing visitors with copies of appropriate hazard registers such as the asbestos register
 - 3.3.2 telling visitors about hazards on site
 - 3.3.3 asking visitors about the hazards and risks which they are bringing on site (e.g. creating noise, dust, fumes)
 - 3.3.4 asking visitors about any possible interference with normal working practices (e.g. re-routing of emergency escape routes)
 - 3.3.5 controlling access so that contractors know who may also be working on site
 - 3.3.6 sign-off/safe completion certificates
 - 3.3.7 ensuring completion of the Premises Log Book by contractors and visiting persons

4.0 Curriculum Safety (including extended schools activity/study support)

- 4.1 The school recognise that programmes of study require that children should be taught how to identify and reduce risks in the way that they work. a balance must be achieved between independent learning and the necessary supervision to ensure safety.
- 4.2 Teachers will ensure that they are familiar with all risks which might arise from the tools, equipment, materials and processes they plan for children to use. All guidance material will be reviewed where available CLEAPSS, AfPE DATA and county procedures and guidance.
- 4.3 All non-teaching assistants must be appraised of the safety procedures and practices relating to any of the activities that they support.
- 4.4 Schemes of work will be reviewed to assess the risk in all activities in order to determine:
 - 4.4.1 where close supervision is required
 - 4.4.2 suitable group size
 - 4.4.3 suitability for whole class participation
 - 4.4.4 where particular skills need to be taught
 - 4.4.5 personal protective equipment (PPE)
 - 4.4.6 levels of hygiene required

5.0 Drugs & Medications

- 5.1 **Parents have the prime responsibility for their child's health and should provide schools and settings with information about their child's medical condition. Parents, and the child if appropriate, should obtain details from their child's General Practitioner (GP) or pediatrician, if needed.** The school nurse and specialist voluntary bodies will be approached to provide additional background information for staff.
- 5.2 There is no legal duty requiring school or setting staff to administer medicines. However the school recognizes that Children with medical needs have the same rights of admission to a school or setting as other children.
- 5.3 The school has adopted the DfE guidance Managing Medicines In Schools And Early Year Settings only dispensing prescription medication with parental consent.

5.4 For more complex needs the school has adopted the DfE and Council For The Disabled Children Including Me

6.0 Electrical Equipment [fixed and portable]

6.1 Portable electrical equipment will be inspected in accordance with AMPS Technical Briefing Note EM005 Portable Appliance Testing on an annual basis by an authorised body. Staff should not use their own electrical equipment unless it has been inspected by a qualified electrician.

6.2 Fixed electrical checks will be carried out in accordance with AMPS Technical Guidance Note EM006 Fixed Wiring Periodic Test and Inspection every five years.

7.0 Fire Precautions & Procedures

7.1 The guidance Fire Safety Risk Assessment - Educational Premises issued by The Department for Communities and Local Government (DCLG) has been adopted.

12.2 Managers are responsible for assessing the appropriate approach to handling task and may seek professional advice from the SHE Unit and Occupational Health as necessary.

13.0 Lettings/shared use of premises

13.1 The school will follow the guidance issued in Resource Management Factsheet 4: The School Site & Buildings: Use by Governors & Third Parties issued as part of the extended schools guidance

13.2 The governing body will ensure that the hirer/tenant has public liability insurance in place in **order to indemnify the school from all such hirer's/tenant's claims arising from negligence.**

14.0 Lone Working

14.1 Line managers will ensure that lone working is risk assessed and that appropriate control measures are put in place to mitigate those risks. Solutions might include the provision of mobile phones, radios, in-out boards and other means of monitoring staff whereabouts

14.2 Staff themselves have a responsibility to ensure their own health and safety and assist in the operation of any systems designed to provide for their safety.

15.0 Maintenance / Inspection of Equipment

15.1 Guidance issued by AMPS on servicing, testing or inspected is followed and records kept.

16.0 Personal Protective Equipment (PPE)

16.1 Line managers will assess on the basis of risk assessment and COSHH assessments the need for PPE.

16.2 Where it is assessed that PPE is required it shall be appropriately selected and provided.

16.3 A record of PPE issue will be made which will include details of any expiry dates so that equipment can be replaced as and when is necessary.

16.4 Staff are responsible for ensuring that they use PPE where it is provided.

17.0 Risk Assessments

17.1 Risk assessment is the responsibility of the schools management at a variety of levels. Those responsible for premises or curriculum areas must ensure that risk assessments are undertaken **and recorded** for significant activities.

17.2 Risks should be assessed in a recorded fashion and control measures identified and put in place that are proportional to the level of risk. The outcome of the risk assessments should be recorded and communicated to those affected and maintained on records of the establishment or service area. Risk assessments should be reviewed periodically or where there is a change in circumstances.

17.3 All such risk assessments will be copied to the Premises Manager. Generic general classroom risk assessments will be held in department areas and centrally by the Premises Manager

18.0 School Trips/ Off-Site Activities

18.1 The school complies with DfE and LA guidance on educational visits and school journeys

18.2 The named competent person nominated as an Educational Coordinator (admin supported by Headteacher) has responsibility to :

18.2.1 support governors with approval and other decisions

18.2.2 assess the competence of leaders and other adults proposed for a visit. This will commonly be done with reference to accreditations from an awarding body. It may include practical observation or verification of experience

18.2.3 organise the training of leaders and other adults going on a visit. this will commonly involve training such as first aid, hazard awareness etc;

18.2.4 organise thorough induction of leaders and other adults taking students on a specific visit;

18.2.5 organise the emergency arrangements and ensure there is an emergency contact for each visit;

18.2.6 review systems and, on occasion, monitor practice.

19.0 School Transport

19.1 Where staff are required to drive as part of their job, line managers/heads of department will detail any significant findings from the risk assessment and any action taken

19.2 **Ensure that drivers adhere to the school's minibus procedures.**

19.3 Check drivers have a valid driving licence.

19.4 If using own vehicle, have MOT and insurance with Business Use, plus current road tax.

20.0 Staff Consultation

20.1 The Governing Body, through the Headteacher, will make arrangements for full and proper consultation with employees on health and safety matters. The nominated safety representatives of each accredited trade union or staff association will be offered a role in these consultations.

21.0 Staff Health and Safety Training and Development

- 21.1 Line managers/heads of departments within the school will undertake a training needs analysis to identify the competency requirements of specific job roles in terms of health and safety, and will ensure that appropriate training is delivered and training records held centrally. This training needs analysis will be reviewed on an annual basis or on the introduction of new legislation.
- 21.2 Line managers conducting the PAR process will consider health and safety performance and address areas of concern with employees
- 21.3 Where new jobs or tasks come on stream or where there are changes in health and safety legislation training and competency issues line managers/heads of department will be addressed as a matter of priority.

22.0 Staff Well-being / Stress

- 22.1 Managers will include workplace stress as part of the risk assessment process identifying areas of concern e.g. workload, emergency call out, job security etc. and implement appropriate control measures, so far as is reasonably practicable.
- 22.2 Where workplace stress arises, managers will deal with the issue in a sensitive and constructive manner using all available means within GCC to manage stress and assist staff.

23.0 Use of VDU's / Display Screens

- 23.1 The majority of staff within the school are not considered to be DSE users. The school will adhere to the GCC Corporate policy, guidelines and procedure SHE/Pro/5 – Working with Display Screen Equipment,
- 23.2 Line Managers and heads of department will ensure that DSE workplace assessments are conducted for all users.
- 23.3 DSE assessments will be reviewed annually and where equipment changes or office layouts change or when there are staff changes.

24.0 Vehicles on Site

- 24.1 The governors will endeavour to:
- 24.2 Segregate access vehicular and vulnerable (pedestrians & cyclists) traffic
- 24.3 Design-out vehicular and vulnerable traffic route conflicts, both at access and on-site.
- 24.4 Wherever possible avoid same-access for all.

25.0 Violence to Staff / School Security

- 25.1 Risks to personal security, premises and property will be assessed through the risk assessment process. Security in the school is the responsibility of the Headteacher and governing body and they will liaise with their local Crime Prevention Officer.
- 25.2 Managers/heads of department are responsible for assessing the risks of violence to staff
- 25.3 Were violence is identified as a significant risk line managers will ensure that appropriate control measures are put in place.
- 25.4 Staff must report incidents of violence and aggression in the same manner as accidents.

26.0 Working at Height

- 26.1 Line managers/heads of department will ensure that working at height is risk assessed in accordance with LA guidance and that appropriate control measures are put in place to mitigate those risks and avoid wherever possible.
- 26.2 Staff themselves have a responsibility to ensure their own health and safety and assist in the operation of any systems designed to provide for their safety. Appropriate training will be provided.

27.0 Work Experience

- 27.1 Work experience co-ordinators will ensure that the working practices outlined **Work-related learning and the law** – Guidance for schools and school-business link practitioners and **Work experience** – A guide for secondary schools is followed at all times

28.0 Workplace Inspections and Premises Risks

- 28.1 Line managers/heads of departments responsible for premises/departments to undertake workplace inspections every three months.
- 28.2 The site manager will ensure that hazards associated with premises are monitored and controlled. Legionella checks and holding a copy of the asbestos register on site are examples of significant property risks that are being controlled.

28.3 Managers should refer to the Good Stewardship Guide published by Corporate Building Services for more detailed guidance on premises risk. For further information, site managers should contact Corporate Building Services.
