

Anne Geers

Anne has lived in Tetbury for over 25 years. Her three children attended St. Mary's Primary School and the younger two attended Sir William Romney's, her youngest leaving in 2017. Anne worked as a Staff Nurse for 8 years and has been working part time at a playgroup in Tetbury for 13 years. Anne also volunteers at the Foodbank, organises a ladies craft group through her local church and enjoys being involved in the community. In the past Anne has supported families through Home Start and helped at a Pregnancy Crisis Centre.

Katy Riddington

Katy is an experienced Senior Manager with over 20 years experience managing a variety of programmes within different engineering environments including Aerospace, Defence, Marine and Composite Research and Development. Katy is currently the Head of Programmes at the National Composites Centre on the Bristol & Bath Science park. She is passionate about promoting STEM in all levels of education and actively encourages diversity in the workplace.

Katy and her family recently moved to Tetbury after living in Hawkesbury Upton for 12 years. She hopes that her skills will help support the fantastic team at SWR

	<p><i>to achieve their vision over the next four years.</i></p>
<p>Stephen Bishop</p> 	<p>With over 30 years of Social Housing experience at differing levels. I have experience of negotiating contracts at a governmental level, working alongside key partner agencies and meeting the needs of the Local Authority.</p> <p>For many years I was a Service Manager in direct access hostels and achieved A's in the Supporting People, Quality Assessment Framework (QAF), which is the equivalent of achieving an 'Outstanding' rating from OFSTED.</p> <p>I am currently employed as a Quality Inspector for the Independent Quality Inspectorate (IQI) and offer Social Housing organisations a health check of their processes including a review of existing compliance processes and recommend how these can be further developed.</p> <p>I am a very keen golfer and currently have the honour of being the Captain of the Cirencester A Team.</p>
<p>Jacky Rymer</p> 	<p>I am Tetbury born and bred and am very proud of my home town. I am a member of various groups, such as the Community Choir and the Dolphins Dramatic Society (oh yes I am!) where I regularly take part in productions for the town.</p> <p>I have SWR to thank for giving me my education. After a career in the world of finance, little did I know that I would return to school to become the exams officer all those years ago when I left. I have four children, all of whom attended SWR and left with good results to help them in their future careers. It is now pay back time to the school, which is why I joined the board of governors, in the hope that I can do something for other students just the way mine have all been helped in the past.</p>
