

Assessment Record

FOR AS/A LEVELS AND GCSEs FOR SUMMER 2021

Assessment Record for determining teacher assessed grades in Summer 2021

Background

Every centre must produce an Assessment Record for each subject cohort, that includes the sources of the assessment evidence being used and the rationale for the choice of evidence, the level of control for assessments considered, and any other evidence that explains the determination of the final teacher assessed grades. Any necessary variations for individual students must also be recorded.

It is anticipated that you may choose to adopt this template in full. Or you may choose to make amendments – adding or deleting material – to reflect your own practices. In any case, this template is provided for information and does not constitute legal advice.

The template is written with a minimal amount of content in [brackets] that can be deleted, and material in CAPITAL LETTERS that should be added, if the content is retained.

Your Assessment Records must take account of the guidance provided in the document: *JCQ Guidance on the determination of grades for A/AS Levels and GCSEs for summer 2021*

Assessment Record for determining teacher assessed grades in Summer 2021

Sir William Romney's School

Department: Creatives

Qualification: GCSE Food Preparation and Nutrition

Subject Code: C560

Exam

Board: EDUQAS

Assessment Evidence Form

[To be completed by the Head of Department for each subject, for each level (e.g. GCSE Maths, AS Maths and A Level Maths would require separate grids)]

Please detail the assessments used for the subject cohort (i.e. assessment resource, mock examination, controlled assessment, homework etc.). The Assessment Evidence Form should include the sources of the assessment evidence being used and the rationale for the choice of evidence, the level of control under which assessments were completed (i.e. exam-type conditions would provide a high degree of control), and any other evidence that explains the determination of the final teacher assessed grades.

Note: Ideally, the evidence used will be consistent across the class or cohort but that may not always be the case if a student has missed some teaching, or one or more assessments, for valid reasons. Any necessary variations for individual students should be recorded using the additional form below.

Indicate which assessment objectives were covered in each piece of assessment evidence (Y/N), and whether the assessment was conducted with a High (H), Medium (M) or Limited (L) level of control.

	Details of Assessment	AOs assessed						Level of Control H, M, L
		AO1	AO2	AO3	AO4	AO5	AO6	
Assessment 1: Theory Assessment / Mock Exam	The students sat a 'mock-style' exam based on past paper questions during AW1. This was completed in full exam conditions, with access arrangement where necessary. The students had 1hr and 45 minutes to complete the exam, which was structured largely in the same way as the actual exam would have been. Weighing for exam assessment 50%	Y	N/A	N	N	N/A	N/A	H
Assessment 2 – Part 1: NEA – Portfolio of Evidence	From Dec 2020 students have been working on their NEA coursework, Component 2, Assessment 2 during AW2. Students have to complete coursework based on a task set by the exam board and complete a live practical exam. Date of practical exam was 6 th May. Deadline for the completion of NEA 20 th May Weighing for NEA assessment 50%	N	N/A	Y	Y	N/A	N/A	H
If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:- Component 2, Assessment 1 has taken out for 2021								
Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:- In normal times 50% of the grade is determined by the summer exam and 50% by the NEA, therefore students must demonstrate theoretical understanding, alongside design and practical skills. The theoretical understanding has been determined by the 'mock' exam undertaken in AW1. Component 2, Assessment NEA has been started and continued as normal. It will be marked in the same manner according to the exam board. The practical exam and accompanying coursework will be graded for the AW2.								

Subject Title: GCSE Food Preparation and Nutrition

Subject Code C560
