As an Academy, Sir William Romney's Governing Body is responsible for the school's admissions policy. The Governors have arranged with the Gloucestershire Local Authority (LA) for admissions procedures to be administered by the LA. However, final responsibility for deciding admissions rests with the Governors.

Currently the school's 'Admissions Number' is 125 (the maximum number of pupils the school can accept each year based on the physical limitations of the school buildings).

If applications for admissions exceed the number of places available, the Governors have agreed the following criteria to decide which children should be admitted:

1. The highest priority for admission will be given to 'Looked After Children' (1) or children who were previously looked after but immediately after being looked after became subject to an adoption (2) child arrangements order (residency order) (3) or special guardianship order (4) including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
 - 1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. In Gloucestershire, such children are referred to as Children in Care.
 - 2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).
 - 3) Under the provisions of s.12 of the Children and Families Act 2014.
 - 4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
 - 5) A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
2. Children living in the priority catchment area served by the school who have a sibling attending the school and who will continue to do so when the younger child is admitted. A sibling is defined as: a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner, and in every case, the child must be living in the same family unit at the same address.
3. Children for whom only one particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from the child's doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the School.

4. Children living in the priority catchment area served by the school with the strongest geographical claim, measured from the Ordnance Survey point of a child's home and the Ordnance Survey point of the school, with those living closer to the school receiving higher priority.

5. Children living outside the priority catchment area served by the school who will have siblings attending the school when the younger child is admitted. A sibling is defined as: a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner, and in every case, the child must be living in the same family unit at the same address.

6. Children living outside the priority catchment area served by the school with the strongest geographical claim, measured from the Ordnance Survey point of a child's home and the Ordnance Survey point of the school, with those living closer to the school receiving higher priority.

The school is required to admit a child with a statement of Special Educational Needs and/or an Education Health Care Plan (EHCP) that names the school, even if the school is full.

Catchment Area

SWR's Catchment Area, as determined by Gloucestershire Local Authority, includes Ashley, Avening, Beverstone, Boxwell-with-Leighterton, Cherington, Didmarton, Kingscote, Long Newnton, Rodmarton, Sipton Moyne, Tetbury, Tetbury Upton, Westonbirt, Horsley, Nailsworth, plus Choice area with Rednock School: Nymphsfield and Choice area with Thomas Keble School: Minchinhampton.

For full details of admissions procedures and terms please refer to the Local Authority's 'School Admissions Guidance Booklet'. This booklet is available from the Admissions and Transport Team on 01452 425407, email school.admissions@gloucestershire.gov.uk or can be downloaded from the GCC website at <http://www.gloucestershire.gov.uk/transferssecondaryschool>

Waiting Lists

If the school is oversubscribed, a waiting list will be held for (at least) the first two school terms (i.e. until the December holiday). The waiting list will be prioritised according to the school's oversubscription criteria.

Fair Access Protocols

The school has signed up to the In-Year Fair Access Protocols held by the Local Authority. Should a vulnerable child within these Protocols require a place at the school, they will take precedent over any child on the waiting list.

In-Year Admissions

In-year applications are all those made outside the normal round of admissions for children of compulsory school age i.e. those applications made during the academic year for a school place in Year 7 through to Year 11. To apply for a place at Sir William Romney's School, parents should contact the school on 01666 502378, email admin@swr.gloucs.sch.uk. The Local Authority is no longer responsible for offering places to children on behalf of all schools/academies, but it does maintain the statutory duty of being aware of all pupils and vacancies within schools/academies within Gloucestershire.
