

SWR STUDENT ACCEPTABLE USE OF ICT POLICY & AGREEMENT

Last Review:	February 2022
Committee:	Learning
Date Ratified:	15 February 2022
Next Review:	May 2025

This **Acceptable Use of ICT Policy** is intended to ensure that:

- you will be a responsible user and stay safe while using the internet and other communications technologies
- school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.

The school will be responsible for ensuring that:

- no student should be able to access another's files, without permission
- logs are maintained of access by students
- a safe and secure username / password system is in place

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users.

For my own personal safety:

- I understand that the school will monitor my use of the ICT systems, email and other digital communications.
- I will treat my username and password responsibly: I will not share it, nor will I try to use any other person's username and password.
- I will be aware of "stranger danger", when I am communicating online.
- I will not disclose or share personal information about myself or others when online.
- I will immediately report any inappropriate material or messages or anything that makes me feel uncomfortable when I see it online.

I understand that everyone has equal rights to use technology as a resource and:

- I understand that the school ICT systems are intended for educational use and that I will not use the systems for personal or recreational use unless I have permission to do so.
- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- I will not use the school ICT systems for online gaming, online gambling, internet shopping or file sharing,

I will act as I expect others to act toward me:

- I will respect others' work and property and will not access, copy, remove or otherwise alter any other user's files, without the owner's knowledge and permission.
- I will be polite and responsible when I communicate with others, I will not use insulting or inappropriate language and I appreciate that others may have different opinions.
- I will not create or distribute 'fake news' or similar malicious content on digital technology
- I will not take or distribute images of anyone without their permission.

I recognise that the school has a responsibility to maintain the security of the technology it offers me and to ensure the smooth running of the school:

- **I will only use my personal hand held / external devices (mobile phones / USB devices etc.) in school if I have permission.**
- I understand the risks and will not try to upload, download or access any materials which are illegal or inappropriate or may cause harm or distress to others, nor will I try to use any programmes or software that might allow me to bypass the filtering / security systems in place to prevent access to such materials.
- I will immediately report any damage or faults involving equipment or software, however this may have happened.
- I will not open any attachments to emails, unless I know and trust the person / organisation who sent the email, due to the risk of the attachment containing viruses or other harmful programmes.
- I will not install or attempt to install programmes of any type on a machine, or store programmes on a computer, nor will I try to alter computer settings.
- I will not use chat and social networking sites within school.

When using the internet for research or recreation, I recognise that:

- I should ensure that I have permission to use the original work of others in my own work
- Where work is protected by copyright, I will not try to download copies (including music and videos)

I understand that I am responsible for my actions, both in and out of school:

- **I understand that the school also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (examples would be cyber-bullying, use of images or personal information).**
- I understand that if I fail to comply with this Acceptable Use Of ICT Policy Agreement, I will be subject to sanctions. This may include loss of access to the school network / internet, detentions, exclusions, contact with parents and in the event of illegal activities involvement of the police.

Please complete the sections below to show that you have read, understood and agree to the rules included in the Acceptable Use of ICT Agreement. If you do not sign and return this agreement, access will not be granted to school ICT systems.

Student Acceptable Use of ICT Agreement Form

This form relates to the student Acceptable Use Policy (AUP), to which it is attached. Please complete the sections below to show that you have read, understood and agree to the rules included in the Acceptable Use Agreement. If you do not sign and return this agreement, access will not be granted to school ICT systems.

I have read and understand the above and agree to follow these guidelines when:

- I use the school ICT systems and equipment (both in and out of school)
- I use my own equipment in school (when allowed) e.g. mobile phones, PDAs, cameras etc.
- I use my own equipment out of school in a way that is related to me being a member of this school e.g. communicating with other members of the school, accessing school email, VLE, website etc.

SWR STAFF AND VISITORS ACCEPTABLE USE OF ICT POLICY & AGREEMENT

Last Review:	November 2018
Committee:	Learning
Date Ratified:	6 th December 2018
Next Review:	September 2020

This Acceptable Use of ICT Policy is intended to ensure:

- that staff and visitors will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- that school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- that staff are protected from potential risk in their use of ICT in their everyday work.

The school will try to ensure that staff and visitors will have good access to ICT to enhance their work, to enhance learning opportunities for *students* learning and will, in return, expect staff and volunteers to agree to be responsible users.

This policy should be read in conjunction with the Safeguarding Policy and Safer Working Protocols document.

Introduction

The school will be responsible for ensuring that the school infrastructure / network is as safe and secure as is reasonably possible and that:

- users can only access data to which they have right of access
- no user should be able to access another's files, without permission (or as allowed for monitoring purposes within the school's policies).
- access to personal data is securely controlled in line with the school's personal data policy
- logs are maintained of access by users and of their actions while users of the system

A safe and secure username / password system is essential if the above is to be established and will apply to all school ICT systems, including email and Virtual Learning Environment (VLE).

Responsibilities

The management of the password security policy will be the responsibility of the IT Manager.

All users (adults and young people) will have responsibility for the security of their username and password, and must not allow other users to access the systems using their log on details and must immediately report any suspicion or evidence that there has been a breach of security)

Passwords for new users, and replacement passwords for existing users will be allocated by the IT Manager.

Please complete the sections below to show that you have read, understood and agree to the rules included in the Acceptable Use of ICT Agreement. If you do not sign and return this agreement, access will not be granted to school ICT systems.

Acceptable Use of ICT Agreement

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users. I recognise the value of the use of ICT for enhancing learning and will ensure that students receive opportunities to gain from the use of ICT. I will, where possible, educate the young people in my care in the safe use of ICT and embed e-safety in my work with young people.

For my professional and personal safety:

- I understand that the school will monitor my use of the ICT systems, email and other digital communications.
- I understand that the rules set out in this agreement also apply to use of school ICT systems (e.g. laptops, email, VLE etc.) out of school
- I understand that the school ICT systems are primarily intended for educational use and that I will only use the systems for personal or recreational use within the policies and rules set down by the school.
- I will not disclose my username or password to anyone else, nor will I try to use any other person's username and password.
- I will immediately report any illegal, inappropriate or harmful material or incident; I become aware of, to the appropriate person.

I will be professional in my communications and actions when using school ICT systems:

- I will not access, copy, remove or otherwise alter any other user's files, without their express permission.
- I will communicate with others in a professional manner, I will not use aggressive or inappropriate language and I appreciate that others may have different opinions.
- I will ensure that when I take and / or publish images of others I will do so with their permission and in accordance with the school's policy on the use of digital / video images and GDPR legislation. I will not use my personal equipment to record these images, unless I have permission to do so. Where these images are published (e.g. on the school website / VLE) it will not be possible to identify by name, or other personal information, those who are featured.
- I will only use chat and social networking sites in school in accordance with the school's policies.
- I will only communicate with students and parents / carers using official school systems. Any such communication will be professional in tone and manner
- I will not engage in any on-line activity that may compromise my professional responsibilities.

The school and the local authority have the responsibility to provide safe and secure access to technologies and ensure the smooth running of the school:

- When I use my personal hand held / external devices (PDAs / laptops / mobile phones / USB devices etc.) in school, I will follow the rules set out in this agreement, in the same way as if I was using school equipment. I will also follow any additional rules set by the school about such use. I will ensure that any such devices are protected by up to date anti-virus software and are free from viruses.
- I will ensure that USB storage devices are password protected to meet GDPR legislation.
- I will not open any attachments to emails, unless the source is known and trusted, due to the risk of the attachment containing viruses or other harmful programmes.
- I will ensure that my data is regularly backed up, in accordance with relevant school policies.
- I will not try to upload, download or access any materials which are illegal (child sexual abuse images, criminally racist material, adult pornography covered by the Obscene Publications Act) or inappropriate or may cause harm or distress to others. I will not try to use any programmes or software that might allow me to bypass the filtering / security systems in place to prevent access to such materials.
- I will not try (unless I have permission) to make large downloads or uploads that might take up internet capacity and prevent other users from being able to carry out their work.
- I will not install or attempt to install programmes of any type on a machine, or store programmes on a computer, nor will I try to alter computer settings, unless this is allowed in school policies.
- I will not disable or cause any damage to school equipment, or the equipment belonging to others.
- I will only transport, hold, disclose or share personal information about myself or others, as outlined in the School / LA Personal Data Policy. Where personal data is transferred outside the secure school network, it must be encrypted.

- I understand that data protection policy requires that any staff or student data, to which I have access, will be kept private and confidential, except when it is deemed necessary that I am required by law or by school policy to disclose such information to an appropriate authority.
- I will immediately report any damage or faults involving equipment or software, however this may have happened.

When using the internet in my professional capacity or for school sanctioned personal use:

- I will ensure that I have permission to use the original work of others in my own work
- Where work is protected by copyright, I will not download or distribute copies (including music and videos).

I understand that I am responsible for my actions in and out of school:

- I understand that this Acceptable Use Policy applies not only to my work and use of school ICT equipment in school, but also applies to my use of school ICT systems and equipment out of school and my use of personal equipment in school or in situations related to my employment by the school.
- **It is a recommendation of this policy that staff take suitable measures to limit public access to their social media accounts.**
- I understand that if I fail to comply with this Acceptable Use Policy Agreement, I could be subject to disciplinary action. This could include a warning, a suspension, referral to Governors and / or the Local Authority and in the event of illegal activities the involvement of the police.

I have read and understand the above and agree to use the school ICT systems (both in and out of school) and my own devices (in school and when carrying out communications related to the school) within these guidelines.

SWR PARENT/CARER ACCEPTABLE USE OF ICT POLICY & AGREEMENT

Last Review:	September 2018
Committee:	Learning
Date Ratified:	6 th December 2018
Next Review:	September 2020

This Acceptable Use of ICT Policy is intended to ensure:

- that young people will be responsible users and stay safe while using the internet and other communications technologies for educational, personal and recreational use.
- that school ICT systems and users are protected from accidental or deliberate misuse that could put the security of the systems and users at risk.
- that parents and carers are aware of the importance of e-safety and are involved in the education and guidance of young people with regard to their on-line behaviour.

The school will try to ensure that students will have good access to ICT to enhance their learning and will, in return, expect the students to agree to be responsible users. A copy of the Student Acceptable Use of ICT Policy is attached to this permission form, so that parents/carers will be aware of the school expectations of the young people in their care.

Parents/carers are requested to sign the permission attached below to show their support of the school in this important aspect of the school's work.
