It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy

5. Roles and responsibilities

5.1 The Local Governing Body

The Local Governing Body is responsible for monitoring this behaviour policy's effectiveness and holding the headteacher to account for its implementation.

5.2 The headteacher

The Headteacher is responsible for:

- › Ensuring that the school environment encourages positive behaviour
- › Ensuring that staff deal effectively with poor behaviour
- › Monitoring how staff implement this policy to ensure rewards and sanctions are applied consistently to all groups of students
- › Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- › Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all students to participate fully
- › Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- › Ensuring this policy works alongside the safeguarding policy to offer students both sanctions and support when necessary

- › Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

5.3 Teachers and Staff

Staff are responsible for:

- › Creating a calm and safe environment for students
- › Establishing and maintaining clear boundaries of acceptable student behaviour
- › Implementing the behaviour policy consistently
- › Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with students
- › Modelling positive expected behaviour and positive relationships
- › Providing a personalised approach to the specific behavioural needs of particular students
- › Considering their own behaviour on the school culture and how they can uphold school rules and expectations
- › Recording behaviour incidents promptly (see appendix 3 for a behaviour log)
- › Challenging pupils to meet the school's expectations

The senior leadership team will support staff in responding to behaviour incidents.

5.4 Parents

Parents and carers, where possible, should:

- › Get to know the school's behaviour policy and reinforce it at home where appropriate
- › Support their child in adhering to the school's behaviour policy
- › Inform the school of any changes in circumstances that may affect their child's behaviour
- › Discuss any behavioural concerns with the class teacher promptly
- › Take part in any pastoral work following misbehaviour (for example: attending reviews of specific behaviour interventions)
- › Raise any concerns about the management of behaviour with the school directly, whilst continuing to work in partnership with the school
- › Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

5.5 Students

Students will be made aware of the following during their induction into the behaviour culture:

- › The expected standard of behaviour they should be displaying at school
- › That they have a duty to follow the behaviour policy
- › The school's key rules and routines
- › The rewards they can earn for meeting the behaviour standard, and the consequences they will face if they don't meet the standard

- The pastoral support that is available to them to help them meet the behavioural standards

Students will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Students will be supported to develop an understanding of the school's behaviour policy and wider culture.

Students will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for students who are mid-phase arrivals.

6. School behaviour curriculum

Students are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all students to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all students can meet behavioural expectations in the curriculum.

6.1 Mobile phones

Each school's approach to pupils bringing their mobile phones into school is outlined in the school's Mobile Phone Policy and/or ICT Acceptable use policy.

7. Responding to behaviour

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages students to be engaged
- Display the behaviour curriculum or their own classroom rules
- Develop a positive relationship with students, which may include:
 - Greeting students in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

7.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a student is in need of help or protection.

We will consider whether a student's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

7.3 Responding to good behaviour

When a student's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

- Praise
- Merit marks
- Letters or phone calls home to parents
- Special responsibilities/privileges

7.4 Responding to misbehaviour

When a student's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so students know with certainty that misbehaviour will always be addressed.

De-escalation techniques can be used to help prevent further behaviour issues arising, such as the use of pre-arranged scripts and phrases.

All students will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a student to help them to meet behaviour standards in the future.

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand
- Sending the student out of the class
- Expecting work to be completed at home, or at break or lunchtime
- Detention at break or lunchtime, or after school
- Referring the student to a senior member of staff
- Letters or phone calls home to parents

- Agreeing a behaviour contract
- Putting a student 'on report'

Personal circumstances of the student will be taken into account when choosing sanctions and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

7.5 Reasonable force

Reasonable force covers a range of interventions that involve physical contact with students. Reasonable force will only be used in line with the DfE's [latest guidance on use of reasonable force In Schools](#).

7.6 Confiscation, searches, screening

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#). Headteachers, Designated Safeguarding Leads, Senior Pastoral Leads and Heads of Year are authorised to conduct searches.

7.7 Off-site misbehaviour

Sanctions may be applied where a student has misbehaved off-site when representing the school. This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a student of our school

Sanctions may also be applied where a student has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another student or member of the public
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the student is under the lawful control of the staff member (e.g. on a school-organised trip).

7.8 Online Misbehaviour

The school can issue behaviour sanctions to students for online misbehaviour when:

- It poses a threat or causes harm to another student
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The student is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the student is under the lawful control of a staff member

7.9 Suspected criminal behaviour

If a student is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher/ member of the senior leadership team will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

7.10 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to external agencies
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information which can be found on [the Athelstan Trust Website](#)

7.11 Malicious allegations

Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the student in accordance with this policy.

Where a student makes an allegation of sexual violence or sexual harassment against another student and that allegation is shown to have been deliberately invented or malicious, the school will discipline the student in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the student who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and students accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other students.

8. Serious sanctions

8.1 Detention

Students can be issued with detentions during break, after school during term time.

The school will decide whether it is necessary to inform the student's parents.

When imposing a detention, the school will consider whether doing so would:

- Compromise the student's safety
- Conflict with a medical appointment
- Prevent the student from getting home safely
- Interrupt the student's caring responsibilities

8.2 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the student from the classroom for a limited time.

Students who have been removed will continue to receive education under the supervision of a member of staff that is meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove students from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the student is being unreasonably disruptive
- Maintain the safety of all students
- Allow the disruptive student to continue their learning in a managed environment
- Allow the disruptive student to regain calm in a safe space

Students who have been removed from the classroom are supervised.

Students will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Students should be reintegrated into the classroom as soon as appropriate and safe to do so. The school will consider what support is needed to help a student successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for students who are frequently removed from class, such as:

- Meetings with learning coaches
- Use of teaching assistants
- Short term behaviour report cards
- Long term behaviour plans

- Student support units
- Multi-agency assessment

Staff will record all incidents of removal from the classroom along with details of the incident that led to the removal, and any protected characteristics of the student in the behaviour log.

8.3 Suspension and permanent exclusions

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour, which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our exclusions policy for more information.

9. Responding to misbehaviour from pupils with SEND

9.1 Recognising the impact of SEND on behaviour

The school recognises that students' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a student's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a student's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from students with SEND, especially where their SEND affects their behaviour, the school will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid causing any substantial disadvantage to a disabled student caused by the school's policies or practices (Equality Act 2010)
- Using our best endeavours to meet the needs of students with SEND (Children and Families Act 2014)
- If a student has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the student concerned.

9.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a student with SEND, the school will take into account:

- Whether the student was unable to understand the rule or instruction?
- Whether the student was unable to act differently at the time as a result of their SEND?
- Whether the student is likely to behave aggressively due to their particular SEND?

The school will then assess if it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

9.3 Considering whether a student displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

9.4 Students with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a student with an EHC plan, it will make contact with the local authority to discuss the issue. If appropriate, the school may request an emergency review of the EHC plan.

10. Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help students to understand how to improve their behaviour and meet the expectations of the school.

Following removal from the classroom or suspension the school will consider strategies such as

- Reintegration meetings
- Contact with the pastoral lead
- A report card with personalised behavioural goals

11. Student transition

11.1 Inducting incoming students

The school will support incoming students to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

11.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, students have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to student behaviour issues may be transferred to relevant staff at the start of the term or year.

12. Training

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process.

Behaviour management will also form part of continuing professional development.

A staff training log can be found in Appendix 2

13. Monitoring arrangements

13.1 Monitoring and evaluating school behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom
- Attendance, permanent exclusion and suspension
- Use of student support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Anonymous surveys for staff, students, governors, trustees and other stakeholders on their perceptions and experiences of the school behaviour culture

The data will be analysed by the board of trustees and school governors.

The data will be analysed from a variety of perspectives including:

- At school level
- By age group
- At the level of individual members of staff
- By time of day/week/term
- By protected characteristic

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of students are identified by this analysis, the school will review its policies to tackle it.

13.2 Monitoring this policy

This behaviour policy will be reviewed and approved by the Board of Trustees annually.

14. Links with other policies

This behaviour policy is linked to the following policies:

- Suspension and Permanent Exclusions policy.

First behaviour letter

Dear parent,

Recently, your child _____ has not been behaving as well in school as they could.

It is important that your child understands the need to follow our behaviour curriculum, which is set out in the behaviour policy. I would appreciate it if you could discuss their behaviour with them.

If your child’s behaviour does not improve, I will contact you again and suggest that we meet to discuss how we can work together. However, at this stage I am confident that a reminder of how to behave appropriately will be sufficient.

Yours sincerely,
