

SWR Weekly

Striving for Excellence Together

10th November 2023

The SWR Weekly will regularly keep you updated on news from the school. I hope you find this useful to keep in touch with what is going on at our wonderful school.

Introduction

Today we came together as a school community and remembered all those people who sacrificed their lives in World War One and other wars. Mr Godwin and Mr Dillon played the Last Post and Liz in Year 11 closed the event with a reading. We were delighted that many students wore their Cadets uniform and that the Crafters Club displayed the wreath they have been working on at lunchtimes.

Sir William Romney's School will be represented at the Tetbury and Nailsworth Remembrance Services on Sunday.

If you would like to watch the ceremony from today, it is available on our Facebook page.

Anti-Bullying Week

Next week we will be taking part in the national Anti-Bullying Week. We will have further news on how we do this in next week's SWR weekly. Students are strongly encouraged to wear odd socks on Monday.

Careers

We're really excited to be hosting our first Careers Fair post pandemic, the one we held in 2019 was a huge success and the students took a lot from the event. It will be held during the school day from 9-3.30pm on Wednesday the 6th of December. Many parents and past students have kindly agreed to take part, if that is something you would be able to do we would love to welcome you and your organisation as an exhibitor to the event. Please contact me: t.lynham@swr.gloucs.sch.uk

The Careers Fair will be the pivotal event of the week, however your child will also have lots of other careers based activities during their lessons that week.

For parents/carers with children in year 11 I hope that you have received our open event schedule for post 16 options, applications for post 16 need to start being submitted for some providers so please ensure your child is aware of the deadlines.

Anxiety

Is your child struggling with anxiety? Or would you like to know more about anxiety?

Young Minds Matter will be delivering a parents/carers information evening here at SWR on **Tuesday the 16th of January, 2024, 6-7pm**, at SWR in the Hall. This will cover:

When is anxiety normal and what can I do to support?

When is anxiety not normal?

What are panic attacks and what are the best ways to manage / support my child?

What you can do at home to support?

When is it time to seek additional support?

Why is early intervention important?

Please note that this event is open to all of our parents/carers and to those in our feeder primary schools.

If you have any queries please don't hesitate to contact me - t.lynham@swr.gloucs.sch.uk
