

SWR WEEKLY

Striving for Excellence Together

It's been another vibrant and busy week here at SWR, filled with events that reflect the strength, spirit, and values of our school community.

Our Open Evening this week was a real highlight — a wonderful opportunity to showcase everything that makes SWR such a special place. As always, it was our students who were the true stars of the evening. Their enthusiasm, pride, and commitment to our school shone through in every interaction. Our subject departments also offered a fantastic range of engaging activities, all thoughtfully linked to our core value of aspiration.

It's also been great to see our sports fixtures in full flow this week, with brilliant performances in netball and both girls' and boys' football. Thank you to all the staff and students involved — it's a joy to see such teamwork and determination on display.

Today, we celebrated the European Day of Languages — a fantastic occasion that allowed us to recognise and enjoy the diversity of our school community. A particular highlight was our language-themed Bake Off, which combined creativity, culture, and a lot of cake!

Looking ahead, a reminder that we will be holding our Open Mornings on Monday, Tuesday, and Wednesday next week at 9:15AM — these are a great chance to see school life in full swing. You can book a place by clicking [here](#). We are also offering a Saturday morning tour, which will be quieter as students won't be in school, but it's an ideal opportunity to explore our facilities for those unable to attend during the week.

Finally, we are looking forward to our Whole School Walk next Friday (weather permitting).

This is always a very special day, bringing together our entire school community and celebrating our core value of resilience. This year, we will be walking in memory of Amelie Zeal, a much-loved student who is deeply missed. Sponsorship raised will go towards

Abbie's Army and Acorns Children's Hospice.

Thank you, as always, for your continued support. It's a privilege to lead such a vibrant and compassionate school community.

WALKING FOR AMELIE

FOR *Amelie*

Donate now for brain tumour research and hospice care

Every year up to 30 children in the UK are diagnosed with a Diffuse Midline Glioma (DMG). This is a brain cancer with no cure and very limited treatment options.

Amelie was one of those children. She died at just 15 this July.

Her family is doing a 1,200-mile trek from John O'Groats to Land's End in memory of Amelie. They want to raise awareness and funds for urgent research and outstanding end-of-life care for young people like her.

Donate today at <https://gvwhl.com/CXNWD>

Funds will be split between Abbie's Army, which is searching for a cure to DMG, and Acorns Children's Hospice, which provides care for children in the final weeks of life.
