

SWR WEEKLY

Striving for Excellence Together

I hope you all had a very restful and enjoyable Easter break.

We have been delighted to welcome our new Assistant Headteacher and SENCO, Sarah Connor, to SWR this week. Sarah brings valuable experience, having worked as a SENCO for the past several years at a school in the Bristol area. Sarah has written to all parents and carers of students on the SEND register. As you can imagine, there is a significant amount of information for her to become familiar with as she gets to know our students, school and families.

We would also like to extend a warm welcome to Mr Gbadegesin, who has joined the Science department from Malmesbury School and will be working with us until the end of the academic year.

Thank you to all Year 10 parents and carers who attended Parents' Evening on Thursday. We had an excellent turnout, and it was lovely to hear so many positive comments from both parents and staff. We are really pleased with how the year group is progressing.

An important letter regarding the uniform consultation was sent out today. Thank you to everyone who has taken the time to share your views.

I hope you have a lovely weekend.

Mr Ruscoe

ELLIE

When a lady collapsed at church and lost consciousness, Ellie stepped in with impressive maturity. While a doctor attended to the situation, Ellie calmly gathered cushions, water, and anything else needed. She stayed with the lady, talking to her and offering reassurance until paramedics arrived. The doctor praised Ellie's calm, confident manner throughout.

MAIAH

Maiah and her rugby team, The Cotswold Lionesses put on a brilliant display of teamwork and determination at last weekend's rugby tournament, ultimately securing the runners-up position in the U14 girls' division.

A great achievement, Maiah. Congratulations!

ALASTAIR

We're delighted to share Alastair's fantastic achievement over the holidays. He received an Ambassador's Reward from Forest Green Rovers, recognising the dedication, effort, and progress he has shown in his ambassador role this season. With only four children selected out of 109, this is an outstanding accomplishment and one we're incredibly proud of! Congratulations, Alastair.
