Striving for Excellence Together

MRS. SHARP

We are immensely proud to share that our wonderful Mrs. Sharp was invited to Buckingham Palace this week to celebrate the 70th Anniversary of the The Duke of Edinburgh's Award.

This very special invitation is a reflection of the extraordinary commitment, care, and passion she gives to the award year after year. Behind every expedition, every lunchtime meeting, every word of encouragement, and every success story are countless hours of unseen hard work and unwavering dedication.

Mrs. Sharp has inspired so many of our students to challenge themselves, grow in confidence, and create memories they will carry for life. We could not think of anyone more deserving of such a prestigious recognition, and we are so proud to see her commitment celebrated on such a special occasion.

A huge well done to all our Year 11 students who have begun their GCSE examinations. We have been delighted with their hard work, maturity and positive approach.

They certainly deserve a well-earned break, although we know many will continue with their independent revision over half term.

Thank you also to parents and carers, we recognise this can be a stressful time for you as well, and we really appreciate your support.

We have included a Key Dates section in this SWR Weekly and on the school website. We know that next term is particularly busy, so we hope this provides a helpful reference point. Some events are for specific groups of students, while others involve the whole school.

For any trips or activities not involving the full school, you will have received detailed information directly from the relevant trip leader.

I hope you all have a lovely half term, the weather certainly looks promising! We look forward to welcoming students back to school on Monday 1st June 2026.
